ACTIVITY DESCRIPTIONS

PALM SPRINGS AIR MUSEUM: Visit one of the World's largest collections of flying World War II military aircraft and experience a little piece of history! Climb up and look inside the cockpits of legendary fighters and bombers of the greatest and most costly conflict ever fought. Also, see the planes that starred in movies like Pearl Harbor, Black Sheep Squadron and Winds of War. See rare and unique combat photography, original artwork and uniforms of WW2, artifacts and memorabilia.

EL PASEO SHOPPING WITH THE STARS: Experience over 250 fine, elegant shops, boutiques and art galleries on El Paseo, the "Rodeo Drive of the Desert". Count the Rolls Royce's and Bentleys along this elegant shopping haven, or just window shop. Visit the Gardens on El Paseo, an open air shopping and dining complex set amongst lush gardens, water features and breathtaking desert views. Stop off at the coffee shops or catch the shuttle that will also take you to the Palm Desert Mall.

PALM SPRINGS VALLEY TOUR: A great, fun way to view the Valley that so many of the rich and famous call home. Learn about the history of the date industry in the valley, where 98% of the dates grown in the US are produced. Stop for a date shake! The San Andreas Fault, earthquakes, and the unique supply of water here will also be discussed. Visit downtown Palm Springs, with its village atmosphere of small shops and sidewalk cafes. You will also learn the history of the local Native American Indians who have achieved wealth through their unique checkerboard reservations and casinos.

CELEBRITY HOME TOUR: Learn about the glitz and glamour that has made Palm Springs famous. Hear about the recent visit of Katherine Zeta Jones, George Clooney and Matt Damon. See the home of Frank Sinatra and Bob Hope. Driving past elegant palm trees and bougainvillea lined streets, so long a retreat from Hollywood, you will thrill at the stories about Howard Hughes, Elizabeth Taylor, Elvis Presley and Kirk Douglas to name but a few.

Each tour will have a professional step-on guide and take approximately four hours from door-to-door. All vehicles are air-conditioned, and time will be allocated for you to get out and stretch your legs. Please remember to bring your camera and sunscreen. A hat is always a good idea, too.
