

**ALBERT V. WEBB**  
***Explosives Site Planning Team Chief***  
***Headquarters Air Force Safety Center***

---

Mr. Webb is the Explosives Site Planning Team Chief at Headquarters Air Force Safety Center (HQ AFSC), Kirtland AFB, NM. Experience includes 26 years of active duty U.S. military experience in the munitions maintenance and explosives safety career fields and 4 years as a contracted explosives safety specialist for the Department of Defense at HQ AFSC and Department of Energy at Sandia National Laboratories in which primary duties included the development of explosives site plans.
